

Top 50 World Airports June 2008 Arrival Performance Report

Summary of Flight Arrivals by Airport

Report Date: July 3, 2008

Page Count: 3

Abstract

This FlightStats report compares the on-time performance of scheduled passenger flights arriving in the 50 busiest world Airports as determined by arriving and departing passenger numbers reported by the Airports Council International (ACI). The report summarizes the data by airport and includes a breakdown of on-time, late, very late and excessively late arrivals. Also included is the average delay for flights arriving more than 15 minutes late, the percentage of flights cancelled and diverted.
